Sir:

RESPONSE

15 11/28/06
R/S
This is a further response to the office action mailed on 05/09/2006 in view of the office action dated 08/21/06 and a phone conversation with Examiner Gary today November 7, 2006.

20 A prior response appearing in the file wrapper with a date of 2006-06005 was filed electronically over the internet. Due to some aberration in this filing exclamation marks were inserted after each word. An entry in the file wrapper dated 2006-08-21 indicates that amendment was not entered. Another response was filed that appears in the file wrapper at 2006-08-18. Examiner Gary has now indicated that this most recent response is non-compliant due to the inadvertent insertion of "and" in claim 60 in a manner that indicates the claim previously included this word. This response avoids that imprecision.

Amendments to the claims begins on page 2 of this response.

25 30 Remarks begin on page 6 of this response.
